The commission shall issue rules prescribing the employment of other types of persons at fixed minimum hourly wage rates lower than the minimum wage rate required by ORS 653.025, when the commission has determined that the application of ORS 653.025 would substantially curtail opportunities for employment for specific types of persons. (3) Employers, including employers regulated under the Federal Fair Labor Standards Act, may not include any amount received by employees as tips in determining the amount of the minimum wage required to be paid by ORS 653.010 to 653.261.

[1967 c.596 §8]

(2) Each employer shall keep the records required by subsection (1) of this section open for inspection or transcription by the commission at any reasonable time.

(3) Every employer of one or more employees covered by ORS 653.010 to 653.261 shall supply each of his employees with itemized statements of amounts and purposes of deductions in the manner provided in ORS 652.610.

(b) For costs and such reasonable attorney fees as are allowed by the court.

(c) For civil penalties provided in ORS 652.150.

(2) Any agreement between an employee and an employer to work at less than the wage rate required by ORS 653.010 to 653.261 is no defense to an action under subsection (1) of this section.

(3) The Labor Commissioner has the same powers and duties in connection with a wage claim based on ORS 653.010 to 653.261 as he has under ORS 652.310 to 652.445 and in

addition he may, without the necessity of assignments of wage claims from employees, initiate suits against employers to enjoin future failures to pay required minimum wages or overtime pay and to require the payment of minimum wages and overtime pay due employees but not paid as of the time of the filing of suit. The Labor Commissioner is entitled to recover, in addition to other costs, such sum as the court or judge may adjudge reasonable as attorney fees. He may join in a single proceeding and in one cause of suit any number of wage claims against the same employer. If the commissioner does not prevail in such action, he shall pay all costs, disbursements and such sum as the court or judge may adjudge reasonable as attorney fees from the Bureau of Labor Account.

653.060 Discharging or discriminating against employee prohibited in certain cases. No employer shall discharge or in any other manner discriminate against any employee:

(2) No child under 14 years of age shall be employed or permitted to work in, or in connection with, any factory, workshop, mercantile establishment, store, business office, restaurant, bakery, hotel or apartment house.

(3) The Wage and Hour Commission may allow children between the ages of 12 and 14 to be employed in any suitable work during any school vacation extending over a term of two weeks and may issue permits therefor. The commission shall exercise careful discretion as to the character of such employment and its effect on the physical and moral well-being of the child.

(4) Exceptions may be made by the Wage and Hour Commission exempting a minor or class of minors from the above provisions. The child so employed under this provision shall be given notice of confidential access to the Wage and Hour Commission.

[Amended by 1971 c.625 §1]

653.325 [Repealed by 1967 c.527 §3]

653.326 Employing vocationally trained minors in employment otherwise prohibited. (1) The Wage and Hour Commission may by special permit authorize a child under 18 years of age to engage in employment otherwise prohibited by law if the child has successfully completed vocational training for such employment conducted by any school district, or training that the commission considers equivalent thereto, and the child:

(a) Has graduated from high school; or

(b) Is employed during such time as public schools are not in session for a period exceeding 30 days.

(2) The commission or its representatives shall investigate periodically the conditions of the employment for which a special permit has been issued, to determine whether or not the permit should be continued.
[1967 c.347 §2]

653.330 Employment of minors in certain logging operations prohibited. No person shall employ or allow:

(1) Any person under the age of 18 years to act as engineer of or have charge of or operate any logging engines used in logging operations.

(2) Any person under the age of 16 years to act in the capacity of giving signals to the engineer in logging operations or receiving and forwarding such signals.

653.335 Elevator operators to be over 18. No person shall employ or allow any person under the age of 18 years to run, operate or have charge of, any elevator used for the purpose of carrying either persons or property.

653.340 Employment of minors as messengers and delivery boys. (1) No person under the age of 18 years shall be employed or permitted to work as a messenger for a telegraph or messenger company or anyone engaged in such a business in the distribution, transmission or delivery of goods or messages before 5 a.m. or after 10 p.m.

(2) No person under the age of 16 years shall be employed or permitted to work in the telegraph, telephone or public messenger service.

653.345 Declaration of policy. The Legislative Assembly finds that the crops of berry and bean growers in Oregon are imperiled by the federal law prohibiting the employment of youthful agricultural workers. Since suitable replacements for such workers are not available, the long established use of youthful berry and bean pickers must be permitted to the extent that it does not interfere with interstate commerce and federal law. The Legislative Assembly further finds that such agricultural employment is healthful, a good introduction to the work ethic and develops an understanding of the role of agriculture in society.
[1975 c.422 §1]

653.350 Employment of children under 12 years for certain agricultural labor; conditions. (1) An individual who is less than 12 years of age but not less than nine

years of age may be employed to pick berries and beans in this state outside of school hours if:

(a) The individual is employed with the consent of the child's parent or guardian;

(b) The berries and beans picked are sold within the state only and not transported out of this state in any form;

(c) The Administrator of the Employment Division or his designee certifies that there are not sufficient workers available in the immediate area to harvest the berry or bean crop without the employment of youthful pickers; and

(d) The individual is paid at the same rate as other employees of the employer who are 12 years of age or older and are engaged in picking berries or beans.

(2) Each basket or container holding berries, berry products, beans or bean products picked by individuals who are less than 12 years of age must be distinctively marked so as to prevent the berries, berry products, beans or bean products from entering interstate commerce.
[1975 c.422 §2]

653.355 Exemption of certain employers. Nothing in ORS 653.345 to 653.355 shall apply to employers which are exempt from the child labor provisions of the Federal Fair Labor Standards Act.
